In an effort to balance our state budget, legislators have recently reduced Arizona's K-12 and university/community school budgets by more than \$2 billion during the past two years. During this next session, legislators still need to address the structural budget deficit that remains. Which of the following best describes your approach to balancing the budget?

Answer	0%	100%	Number of Response(s)	Response Ratio
Enact further cuts to K-12 and higher education funding as they make up a large share of the overall budget.			6	5.8 %
Stabilize funding to education at existing levels until our economy recovers.			24	23.3 %
Find ways to recover the \$2.2 billion that was cut. Examine how state revenues are spent and whether the state collects enough revenue to meet its needs.			67	65.0 %

Arizona's current budget was devised using a series of cuts, borrowing, financial deferrals and the voter-approved temporary sales tax increase. Which of the following fiscal measures would you consider supporting this year? (Please check all that apply.)

Answer	0%	100%	Number of Response(s)	Response Ratio
An effort to close existing tax loopholes			78	76.4 %
Increase personal income tax			13	12.7 %
Enact a flat tax on corporate/individual income			23	22.5 %
Increase property tax			9	8.8 %
Eliminate tax credits (please specify)			33	32.3 %
Expand the sales tax to services			33	32.3 %
End tax exempt status for mining, etc.			41	40.1 %
Simplify the state tax code			60	58.8 %
Corporate tax cuts			28	27.4 %
Ensure corporate tax parity (large companies to pay same share as small businesses; tax exemption via out-of-state holding companies prohibited, etc.)			49	48.0 %
I think the only effective budget solution would be to introduce further tax cuts.			3	2.9 %
I think our current tax structure is adequate and we just need to wait until the economy rebounds.			2	1.9 %
Other			18	17.6 %

A number of national surveys rank Arizona among the last in K-12 per-pupil funding. Arizona invests \$61 less per student than it did more than 20 years ago, according to the American Legislative Exchange Council. What do you think of this level of investment?

Answer	0%	100%	Number of Response(s)	Response Ratio
Arizona spends too much on K-12 education. We need to enact further cuts.			1	<1 %
This is an adequate level of investment. I do not think we need to invest more in K-12 funding.			8	7.7 %
Although I do not think this funding is adequate, I do not think we can increase funding for K-12 education at this time.			21	20.3 %
It is embarrassing to be among the last in the nation in K-12 education funding. As a legislator, I will work this fiscal year (2010-2011) to increase funding for K-12 public schools.			67	65.0 %
No Response(s)			6	5.8 %

Each year, more than \$60 million in Arizona taxpayer dollars are directed to School Tuition Organizations (STOs) for private school tuition through the tax credit program. What do you think about the current private school tax credit program? (Please check all that apply.)

Answer	0%	100%	Number of Response(s)	Response Ratio
More tax dollars should be allocated to expand the private school tuition program.			6	5.9 %
The private school tuition program should be maintained as-is.			10	9.9 %
The amount of tax dollars allocated to the private school tuition tax credit program should be reduced.			18	17.8 %
The private school tax credit program should be repealed.			29	28.7 %
The 10% processing fee that STOs are allowed to keep from donations for expenses should be reduced to a lower percentage. (Processing fees in Florida are capped at 3%.)			46	45.5 %
There should be income limits on the families who benefit from the private school tax credit program. The original intent of the program was to provide access to private schools for poor children.			46	45.5 %
I think any Arizona family should be able to take advantage of the tax-funded tuition benefits.			16	15.8 %
I don't believe we should be using tax dollars for private school tuition assistance.			52	51.4 %

Do you believe reform is needed in our public education system? If so, which reforms do you support?  
(Please check all that apply.)

Answer	0%	100%	Number of Response(s)	Response Ratio
No, reform is not needed.			0	0.0 %
Yes, reform is needed.			57	56.4 %
Yes, reform is needed but we need to establish adequate funding first.			43	42.5 %
I support the participation in a national standards program, i.e. NAEP.			36	35.6 %
I support increased charter school funding.			22	21.7 %
I support more teacher accountability.			45	44.5 %
I support the Common Core Standards created by the National Governors' Association and the state superintendents of education.			41	40.5 %
I support linking teacher pay to student test scores.			18	17.8 %
I support moving quickly to shut down failing schools.			16	15.8 %
I support creating more charter schools.			18	17.8 %
I support restructuring the "equalized funding" formula			37	36.6 %

Arizona currently has some of the largest K-12 classroom sizes in the nation. Please check the statements you agree with below. (Please check all that apply.)

Answer	0%	100%	Number of Response(s)	Response Ratio
Classroom size isn't a crucial factor for student success--many other factors are much more important and we should focus our priorities elsewhere.			6	5.8 %
I think it would be more efficient if we increased classroom size along with teacher pay. This would attract better teachers and decrease the cost of running the school.			3	2.9 %
I think classroom size is an important factor for student success, but I don't think we can currently afford to increase funding to pay for the additional teachers and/or school facilities.			23	22.5 %
Classroom size is one of the most important factors for student success--we should be working to reduce class size as one of our top priorities.			80	78.4 %
If parents believe that classroom size is important for their child, they should consider enrolling their children in a private school with a classroom enrollment cap.			9	8.8 %
