

[HB 2128: Omnibus; JTEDs](#) **Second Regular Session 2010**

Signed by Gov. Brewer 4/5/2010

Summary of Legislation: This bill makes changes to the Average Daily Membership (ADM) calculations for students enrolling in JTED (Joint Technical Education Districts) courses. Since ADM calculations are used to determine the amount of funding JTED sites receive for students enrolling in these courses (which often take place off a student’s regular school campus), this bill affects the funding level of JTEDs. The legislation is expected to increase Basic State Aid to JTEDs by at least \$500,000 in FY 2011. There also could be an additional impact of \$10 million or more, as it appears to permit JTED “satellite” sites to convert to “centralized” status through long-term leases of school district facilities, making them eligible for more funding.

Vote Translation:

“YES” on bill = Vote to increase student count and consequently JTED funding.

“NO” on bill = Vote to maintain current JTED program definitions and student count and consequently, JTED funding.
