

SB 1284: School Finance Revision **Second Regular Session 2010**

Signed by Gov. Brewer 5/10/2010

Summary of Legislation: This legislation sets the effective date of school funding changes at the beginning of the school fiscal year during which the legislation is enacted. To this end, the legislation prohibits school districts from receiving more than three-fourths of its funding before May 1 of each fiscal year. Finally, the legislation sets the per pupil classroom site fund at \$120 for FY 2010, lessening the impact on schools which would have otherwise received only \$25 in per pupil funding.

Vote Translation:

“YES” on bill = Vote to apply funding changes to the entire fiscal year in which the change is made (a budget neutral provision) and increase the classroom site funding for FY 2010.

“NO” on bill = Vote against the funding effective date change and the increase to classroom site funding.
